WALLACE HOPKINS RETIRES
AFTER 36 YEARS OF SERVICE TO
OUR NATION'S VETERANS

HON. C.W. BILL YOUNG

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 1, 2011

Mr. YOUNG of Florida. Mr. Speaker, it is with a mixture of happiness and sadness that I let my colleagues know of the retirement today of Wallace M. Hopkins, the Director of the Bay Pines VA Health Care System, after 36 years of dedicated and devoted service to our nation's veterans and the Department of Veterans Affairs.

It has been my pleasure to work with Mr. Hopkins for the past six years since his assignment to Bay Pines, which I have the privilege to represent. While at Bay Pines and throughout his career, Wally Hopkins' work in the field of Healthcare Systems Administration and Management has enhanced the quality of health care for our veterans for nearly four decades. He began his distinguished VA career in September 1975 as an Administrative Resident at the Iowa City VAMC. During the next 35 years, Mr. Hopkins served in increasingly more responsible administrative positions in Washington, Indiana, and Minnesota. He became the Director of the Brockton/West Roxbury VAMC in 1988 and then moved to Waco, Texas serving as Director there until 1996. Before coming to Bay Pines in 2005, he served as the Director of the Amarillo, Texas VA Health Care System.

Mr. Speaker, I am most familiar with Mr. Hopkins' leadership and commitment to the

care of our veterans while he has served as Director of the Bay Pines Healthcare System, one of the largest and most complex healthcare systems in the Department of Veterans Affairs. The numerous accomplishments and accolades that the staff at Bay Pines has earned during the tenure of Mr. Hopkins are indicative of his commitment to excellence. These awards include the 2008 Robert W. Carey Performance Excellence Award, the 2009 Robert W. Carey Performance Excellence Trophy, and 2010 Robert W. Carey Circle of Excellence Award, the three highest honors a VA hospital can earn. In 2007, 2008 and 2009, Bay Pines was ranked one of the highest of all Veterans Affairs Medical Centers in national performance measures for quality healthcare, access to services, and veteran and employee satisfaction rates. The Bay Pines Nursing Service has been nationally recognized with two 2007 Office of Nursing Service Innovation Awards and in 2009, they won the top award for the "Let's Get Certified" campaign by having the highest increase in individual nursing achievements of specialty certifications. Bay Pines received a top award from the American Heart Association and the American Stroke Association for implementing measures adhering to the two organizations' highest standards of stroke care and treatment. The Associations' Get with the Guidelines Stroke (GWTG-Stroke) Silver Performance Achievement Award recognized Bay Pines for its comprehensive system of high standard measures and for being the first VA facility to be recognized with the Performance Achievement Award. National Systems Redesign awards were also presented to Bay Pines for streamlining patient flow process in the inpatient and outpatient setting.

Bay Pines has undergone much needed growth in its services and facilities under the leadership of Wally Hopkins. These include the expansion of the emergency department with state of the art imaging and diagnostic equipment, a completely renovated and expanded suite of Intensive Care Units, numerous enhancements and expansion efforts in types of cardiology services offered, expanded high-tech equipment for radiology and nuclear medicine including a new PET CT and new Radiation Oncology and Cancer Infusion Center and a fully renovated, completely self sustaining laundry plant that supports three major Veterans Healthcare Administration facilities. His direct interest in serving the clinical needs of veterans is apparent in the number of major and minor construction projects currently taking place throughout the Bay Pines Healthcare System. At Bay Pines, these include the Mental Health Center, Inpatient Ward Renovation Project, Outpatient Surgery Center, Eye Center, Research Center and outside of the main campus the Lee County Clinic and the expansion of services and the nearly doubling the amount of Community Based Outpatients Clinic space throughout the system's ten county catchment area.

Wallace Hopkins' commitment to caring for our Nation's veterans comes from the heart. He is a highly decorated veteran himself having served in Vietnam as an Air Force F-4 reconnaissance pilot. He earned a Master of Science degree in Health Care Administration in 1976 from Trinity University in San Antonio, Texas. Prior to his graduate studies, he earned a Bachelor of Business Administration degree from Southwest Texas State University

in 1968 and he is a Fellow of the American College of Healthcare Executives.

Mr. Speaker, as I said at the outset, it is with some degree of sadness that we say goodbye to Wally Hopkins as the Director of the Bay Pines Healthcare System. He has led the staff there to the pinnacle of quality care for the veterans of our community. But I know that the skill and dedication with which he has led will pass down to the next leadership team and will continue to ensure that our veterans receive the highest quality of care which they have earned and which they deserve.

And I am happy for Mr. Hopkins and his wife Susan, who has been a true partner in his life-long service to veterans, as he retires from a career in which he has excelled. He is a true patriot as anyone who has heard him speak on Memorial Day can attest. And I am happy that he will remain a part of our community in which he has been active in many important areas since arriving in Pinellas County six years ago. Please join me in saying thank you to Mr. Wallace M. Hopkins for a job and a career well done and wishing him and his wife all the best in their retirement.

HONORING MEMORABLE FACTOR'S OUTSTANDING ACADEMIC ACHIEVEMENTS

HON. TIM SCOTT

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 1, 2011

Mr. SCOTT of South Carolina. Mr. Speaker, to recognize and honor Memorable "Mem" Factor of Charleston, SC and to congratulate him for winning first place in the first grade division at the State MathFest competition and for being named a National Champion of Le Grand Concours 2010 French Competition.

Whereas, the members of the U.S. House of Representatives are pleased to learn that Memorable "Mem" Factor took first place honors at the State MathFest competition and was named a national champion of Le Grand Concours 2010 national French competition; and

Whereas, six-year-old Mem Factor's two favorite activities are math and basketball, and he thinks "being good at math is really cool"; and

Whereas, he had very big shoes to fill at MathFest because last year's first grade winner was his sister Cailey Factor, and for the first time in the six years of the competition's history, siblings became State winners in the same year when his sister took top honors this year for the second grade; and

Whereas, his sister also won a national first place in the 1A category of Le Grand Concours in 2008, and "Mem" followed her once again in the 1A category for children in the first through third grades by winning it this year; and

Whereas, also fluent in Mandarin and Spanish, he earned the highest score in the United States in his category and says he loves everything French, especially the food; and

Whereas, the national French exam, consisting of oral and written portions, is given by the American Association of Teachers of French to over one hundred thousand French students in all fifty States and abroad; and

Whereas, this year's South Carolina MathFest was held in Columbia, and four thousand math students from around the State competed in the State's competition of the national math contest; and

Whereas, a group of elementary educators created MathFest in 2001 to provide an extended math initiative that would motivate students, parents, and teachers to raise the standards and expectations in math; and

Whereas, the founder of MathFest, Dr. Ron Boykins, hopes to generate enthusiasm for math in the elementary years in order to provide students with necessary skills to compete in middle and high school; and

Whereas, the members of the U.S. House of Representatives are pleased that talent and hard work have brought this success to Mem Factor, and they are grateful for the pride and recognition he has brought to his home school and to his community. Now, therefore, the members of the U.S. House of Representatives, by this resolution, recognize and honor Memorable "Mem" Factor of Charleston, SC and congratulate him for winning first place in the first grade division at the State MathFest competition and for being named a national champion of Le Grand Concours 2010 French competition.

Be it further resolved that a copy of this resolution be provided to Memorable "Mem" Factor.

RECOGNIZING THE 2010-2011 CONGRESSIONAL YOUTH ADVISORY COUNCIL FOR 500 HOURS OF OUTSTANDING SERVICE TO THE COMMUNITY—ANDREW BALDWIN

HON. SAM JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, April 1, 2011

Mr. SAM JOHNSON of Texas. Mr. Speaker, it is my pleasure and privilege to inform the Members of the U.S. House of Representatives that the students of the 2010-2011 Congressional Youth Advisory Council (CYAC) from the Third District of Texas have completed a total of 500 community service hours, fulfilling and far-surpassing the requirements of their assigned CYAC in the Community service project.

This year 46 students from public, private, and home schools in grades 10 through 12 made their voices heard by joining CYAC. As the Third District's young ambassadors to Congress, these bright high school students met with me on a quarterly basis to discuss current events and public policy. These impressive young people recognize an important truth: the heart of public service is found when giving back to the community. CYAC students volunteered their time and talents with over 30 organizations including Adopt-A-Highway, Habitat for Humanity, Meals on Wheels, Teen Court, and the USO, to name a few. As one student shared, "CYAC in the Community has allowed me to realize my calling to serve those in the U.S. Armed Forces." I am beyond thrilled that CYAC has helped students unleash their full potential and chase their dreams.

President George H.W. Bush once said, "A volunteer is a person who can see what others cannot see; who can feel what most do not feel. Often, such gifted persons do not think of themselves as volunteers, but as citizens—citizens in the fullest sense: partners in civilization."

With this statement as a benchmark, I am proud to congratulate the members of the
